

## ***Come, Lord***

Maranatha, maranatha,  
Maranatha, maranatha,  
come, Lord,  
come, Lord.

Come, Lord, come to your people,  
you are the light in our darkness.  
Come, Lord, give to us your peace,  
come to our war-torn, broken world.

Help us to serve and to love one another,  
help us to turn and accept the life eternal.  
O come, Lord, come to your people,  
unite us, reconcile us in your love.

Come, Lord, come, Lord,  
give us your life, your life eternal.  
come Lord, come to your people,  
give us your lasting peace.
